

Kolodin Mikhail.
Publications and papers. 13.11.2015 (98/102)

-
1. Baranoff S., Kolodin M. The Forth Fenomenon. (In Russian) //System Informatics. -- Novosibirsk: VO Nauka, Siberian publishing company. -- Issue 4: Methods of theoretical and system programming. -- Pp. 193-271. -- UDC 681.3.
 2. Kolodin M. Meta-technology: Purpose and Implementation. (In Russian) //Information technologies and intellectual methods. -- SPb: SPIIRAS, 1995. -- Pp. 83-86. -- UDC 681.3.
 3. Kolodin M. Preprocessing and Macroprocessing in Forth-Based Meta-System. (In Russian) //Information technologies and intellectual methods. -- SPb: SPIIRAS, 1995. -- Pp. 86-93. -- UDC 681.3.
 4. Kolodin M. Extended Possibilities of Decompiling in Forth. (In Russian) //Information technologies and intellectual methods. -- SPb: SPIIRAS, 1995. -- Pp. 93-100. -- UDC 681.3.
 5. Kolodin M. Usage of Forth-Systems in Educational Informatics. (In Russian) //Information technologies and intellectual methods. -- SPb: SPIIRAS, 1995. -- Pp. 100-104. -- UDC 681.3.
 6. Kolodin M. Convolutions and Meta-Systems. (In Russian) //Information technologies and intellectual methods. Issue 2. -- SPb: SPIIRAS, 1997. -- Pp. 6-10. -- UDC 681.3.
 7. Kolodin M. Optimization in Meta-systems. (In Russian) //Information technologies and intellectual methods. Issue 2. -- SPb: SPIIRAS, 1997. -- Pp. 11-16. -- UDC 681.3.
 8. Kolodin M. Usage of Flexible Language Techniques for Adequate Support of Scientific Research. (In Russian) //Contemporary Problems of Informatization. Abstracts of papers for 2nd Republican electronic scientific conference. -- Voronezh: Voronezh Peduniversity Publishers, 1997. -- Pp. 65-66. -- UDC 681.3.
 9. Kolodin M. Algebra of Convolutions as the Theoretical Apparatus of Meta-systems. (In Russian) //Contemporary Problems of Informatization. Abstracts of papers for 2nd Republican electronic scientific conference. -- Voronezh: Voronezh Peduniversity Publishers, 1997. -- Pp. 79-80. -- UDC 681.3.
 10. Kolodin M. Forth in School Informatics: Active Special Method. (In Russian) //Program Systems. -- Novosibirsk: Institute for Information systems of SD RAS, 1995. -- Pp.91-94.
 11. Kolodin M. Networking Methods in Education (discussion in Russian). //Program Systems. -- Novosibirsk: Institute for Information systems of SD RAS, 1995. -- Pp.95-98.
 12. Kolodin M. Personal Technologies in Scientific Research. (In Russian) //Paper for International conference "Evolution of Infosphere (1995, Moscow).
 13. Kolodin M. Meta-systems in Scientific Research. (In Russian) //Paper for International conference "Regional informatics-96" (1996, St.Petersburg).

14. Kolodin M. Meta-features in Forth. (In English) //Paper for International conference "EuroForth-96" (1996, St.Petersburg).
15. Berdnikov A., Lapko O., Kolodin M., Janishevsky A. Restrictions and Particularities of Support of Multi-language Mode in LaTeX2e Systems on the Example of Codetable T2. (In Russian) //Paper for International conference CyrTUG'97 (1997, St.Petersburg).-- Pp.35-44.
16. Berdnikov A., Lapko O., Kolodin M., Janishevsky A. Draft T2 Codetable for Support of Cyrillic Writing Systems in LaTeX2e System. (In Russian) //Paper for International conference CyrTUG'97 (1997, St.Petersburg).-- Pp.45-58.
17. Kolodin M. Russian Style (Particularities of National Typesetting in LaTeX2e Package). (In Russian) //Paper for International conference CyrTUG'97 (1997, St.Petersburg).-- Pp.132-136.
18. Kolodin M. Typesetting of Complex Documents. (In Russian) //Paper for International conference CyrTUG'97 (1997, St.Petersburg).-- Pp.141-143.
19. Kolodin M. Representation of Programs, Documentation, Theory and Technology in Meta-systems. (In Russian) //Contemporary Problems of Informatization. Abstracts of papers for the 3rd International electronic scientific conference. -- Voronezh: Voronezh Peduniversity Publishers, 1998. -- Pp. 110-111. -- UDC 681.3.
20. Kolodin M. Specialized Metrics for Analysis, Synthesis and Control in Meta-systems. (In Russian) //Contemporary Problems of Informatization. Abstracts of papers for the 3rd International electronic scientific conference. -- Voronezh: Voronezh Peduniversity Publishers, 1998. -- Pp. 143. -- UDC 681.3.
21. Kolodin M. Multilevel Transformations of Meta-systems. (In Russian) //Contemporary Problems of Informatization. Abstracts of papers for the 3rd International electronic scientific conference. -- Voronezh: Voronezh Peduniversity Publishers, 1998. -- Pp. 163. -- UDC 681.3.
22. Berdnikov A., Lapko O., Kolodin M., Janishevsky A., Burykin A. The Encoding Paradigm in LaTeX2e and the Proposed X2 Encoding for Cyrillic Texts. (In English) //Paper for International conference EuroTeX'98. -- Pp.17-31.
23. Berdnikov A., Lapko O., Kolodin M., Janishevsky A., Burykin A. Alphabets Necessary for Various Cyrillic Writing Systems (Towards X2 and T2 Encodings). (In English) //Paper for International conference EuroTeX'98. -- Pp. 32-43.
24. Kolodin M. Russian Style: Present State of the Project. (In Russian) //Paper for the international workshop "Electronic publishing systems for science and education", Pereslavl-Zalessky, 1998.
25. Berdnikov A., Lapko O., Kolodin M., Janishevsky A., Burykin A. Draft T2* Codetables for Support of Cyrillic Typesetting in LaTeX2e Package. (In Russian) //Paper for the international workshop "Electronic publishing systems for science and education", Pereslavl-Zalessky, 1998.
26. Kolodin M. Perspectives of Application and Development of

- Meta-systems. //Paper for the VIth St.Petersburg International Conference "Regional Informatics-98". -- SPb: 1998. -- Pp.30-31.
27. Kolodin M. Project ``Russian Style'' and Cyrillic Typesetting. //Paper for the International Conference CyrTUG-98. -- Kazan: 1998.
28. Berdnikov A., Lapko O., Kolodin M., Janishevsky A., Burykin A. Cyrillic encodings for LaTeX2e multilanguage documents. -- //Paper for the International Conference CyrTUG-98. -- Kazan, 1998.
29. Kolodin M., Touloupiev A. Collected Articles Typesetting with TeX. //Information technologies and intellectual methods. Issue 3. -- SPb: SPIIRAS, 1999. -- UDC 681.3.
30. Kolodin M. Scientific Typesetting: TeX and Other Systems. //Information technologies and intellectual methods. Issue 3. -- SPb: SPIIRAS, 1999. -- UDC 681.3.
31. Kolodin M. Perspective MetaFORTHness. //Paper for the international conference "EuroForth'99" (In English). -- SPb, 1999.
32. Kolodin M. FORTH in Russia: present state and standardization efforts. //Paper for the international conference "EuroForth'99" (In English). -- SPb, 1999.
33. Kolodin M. Russian stile, or The newest recommendations for modern Rusiina electrnic typographies. //Paper for the conference "CyrTUG-99". -- Moscow, 1999.
34. Kolodin M. Meta-conversions of structured information. //Paper for the V International electronic scientific conference "Contemporary problems of informatization in technics and technologies". -- Voronezh: CBBP, 2000. -- P.87.
35. Kolodin M. Meta-programs and meta-data in specialized contexts. //Paper for the V International electronic scientific conference "Contemporary problems of informatization in technics and technologies". -- Voronezh: CBBP, 2000. -- Pp.87-88.
36. Kolodin M., Yeterevsky O., Lapko O., Makhovaya I. "Russian style" with LaTeX and Babel: what does it look like and how does it work. //Paper for TUG'2000 international conference. Oxford, 2000. -- Preprint, pp.108-111.
37. Kolodin M. "Russian style": author's point of view. //CyrTeX-2000 conference. Protvino, 2000.
38. Kolodin M. Multiformat documents. //CyrTeX-2000 conference. Protvino, 2000.
39. Kolodin M. Netbooks, or Information on the paper and in the internet. //CyrTeX-2000 conference. Protvino, 2000.
40. Kolodin M., Etereovsky O. Russmath package: support of Rissian standards for mathematical formula presentation. //CyrTeX-2000 conference. Protvino, 2000.
41. Kolodin M. Presentation and conversion of hypertext information in specialized extensible formats. // VII International conference "Regional Informatics-2000". -- St.Petersburg, 2000. -- P.12.

42. Kolodin M. Conversions of multilevel systems of active multiformat documents in extensible hypertext formats. //International electronic scientific conference "Contemporary problems of informatization in technique and technologies-2001". -- Voronezh, CCKI, 2001 (in print).
43. M.Y.Kolodin. Contemporary educational informatics: purposes and technologies. // Conference "Perspectives of informatics systems". -- Novosibirsk, 2001.
44. Kolodin M. "SPIIRAS Proceedings": questions of organization and publication. // Seminar on electronic publications. -- Novosibirsk, 2001.
45. Kolodin M. Contemporary electronic typesetting and internet: problems, solutions, perspectives. // Seminar on electronic publications. -- Novosibirsk, 2001.
46. Kolodin M. Design, implementation and maintenance of scientific organization's web-site. // SPIIRAS Proceedings, v.1. -- SPb, SPIIRAS, 2001.
47. Kolodin M. Principles of the School. //"Informatika", #30 (367), 8-15.08.2002. -- P.26.
48. Kolodin M. Optimal publications. //International conference "Regional Informatics-2002", -- SPb, 2002.
49. Kolodin M. Practice and perspectives of multilevel hypertexts. // VIII Republican open scientific conference "Contemporary problems of informatization". -- 2002-2003.
50. Kolodin M. Educational informatics at school, institute and in professional and private life. // 5 International Conference "Perspectives of System Informatics", 9-11 July 2003, Novosibirsk. -- P.32-24.
51. Kolodin M. Open software in educational informatics. // 5 International Conference "Perspectives of System Informatics", 9-11 July 2003, Novosibirsk. -- P.35-37.
52. Kolodin M. Perspectives of Summer Schools and Correspondence Schools in the XX century. // 5 International Conference "Perspectives of System Informatics", 9-11 July 2003, Novosibirsk, Akademgorodok, Russia. -- P.38-40.
53. Kolodin M. Metasiting, or Flexible typical solutions for the Web. // VIII International conference on electronic publications "ElPub-2003", October 8-10 2003, Novosibirsk.
54. Kolodin M. Multilevel approach to design, preparation and printing of collected works. // VIII International conference on electronic publications "ElPub-2003", October 8-10 2003, Novosibirsk.
55. Kolodin M. Electronic typesetting and interlinguistics. VIII International conference on electronic publications "ElPub-2003", October 8-10 2003, Novosibirsk.
56. Kolodin M. Arbitrary-level hypertext systems. // Contemporary problems of informatization in systems of modelling, programming and telecommunications. Collected works. Issue 9 (on results of IX International open scientific conference). -- Voronezh, Nauchnaya kniga, 2004. -- Pp.358-359.
57. Kolodin M. Application of plan languages for localization of

- program systems and documentation. // International conference "Regional Informatics-2004, St.Petersburg, June 2004 (in print).
58. Kolodin M. Adequate tools for operative work with electronic publications. // IX Conference on electronic publications "ElPub-2004". Novosibirsk, 23-25.09.2004.
59. Kolodin M. Dynamic publications. // IX Conference on electronic publications "ElPub-2004". Novosibirsk, 23-25.09.2004.
60. Kolodin M. Multiformat work with multilanguage literature. // IX Conference on electronic publications "ElPub-2004". Novosibirsk, 23-25.09.2004.
61. Kolodin M. Using meta-representations for forming, maintenance and publication of archive in domain of culture. // X Russian conference "Distributed information and computational resources" (with participation of foreign scientists). // Novosibirsk, 2005.
62. Kolodin M. Meta-information model for support of distributed collective activities. // X Russian conference "Distributed information and computational resources" (with participation of foreign scientists). // Novosibirsk, 2005.
63. Kolodin M. Meta-transformations of systems of documents with hypertext markup. // SPIIRAS Proceedings, 3, vol.1.-- SPb, SPIIRAS, 2006.
64. Kolodin M. Application of hypertext to scientific research. // Conference "Wikipedia-2007". St.Petersburg, SpbSUFMO, 2007.
65. Kolodin M. Comparative analysis of hypertext formats and documents' conversions between them. // Conference "Wikipedia-2007". St.Petersburg, SpbSUFMO, 2007.
66. Kolodin M. Interformat meta-transformations of hypertext. // SPIIRAS Proceedings. Issue 6. - SPb, Nauka, 2008. Pp.168-170.
67. Kolodin M. Instrumentation for design, implementation and maintenance of hypertext transformers. // SPIIRAS Proceedings. Issue 7. -- SPb: Nauka, 2009. -- Pp. 94-69.
68. Kolodin M. Metacontrol for software assembling. // Conference "Integrated Models, Soft Calculations, Probability Systems and Program Complexes in Artificial Intelligence" (IMSCPSPCAI-2009). 26-27.05.2009. Kolomna. Vol. 1. -- Pp. 140-146.
69. Grigorieva A.I., Kolodin M. Perspectives of usage of free software for distant learning in high school. // Conference "Distant learning in higher professional education: experience, problems and perspectives of development". SPb, 10.06.2009. -- SPb: SUTU, 2009. -- Pp. 39-47.
- 70-. Kolodin M. Real and Imaginative Problems of Free Software in Education. // Conference "Problems of Introduction and Usage of Free Software in Educational Institutions of St.Petersburg". St.Petersburg, 24-25.01.2008. -- SPb: IPAP, 2008.
- 71-. Kolodin M. Selection of Free Software (FOSS) for Education and Science. // Seminar "Particularities of Preparation of IT-specialists in St.Petersburg on Contemporary Stage". St.Petersburg, 25.02.2009. -- SPb: IPAP, 2009.
- 72-. Kolodin M. Educational Priorities and Free Solutions. // Annual conference of Non-commercial Partnership for development of Information Society in North-West Of Russia. St.Petersburg, 2009. SPb: PRIOR, 2009.

89. Kolodin M.Y. Technologization of Processing Distributed Information in Archiving Activities". // Conference "Regional Informatics-2012". St.Petersburg, October 2012.
90. Hodakov A.I., Kolodin M.Y., Vus M.A. Instrumentation for information support for system of professional education. // Conference "Information Security of Regions of Russia-2013 (IBRR-13)". St.Petersburg, October 2013.
91. Kolodin M.Y. Information Security of Educational Systems".// Conference "Information Security of Regions of Russia-2013 (IBRR-13)". St.Petersburg, October 2013.
92. Kolodin M.Y. Well-balanced developing educational system. // Conference "Informatics and Modern Society-2013". St.Petersburg, October 2013.
93. Khodakov A.I., Kolodin M.Y. Internet-communication of teachers and students of higher and vocational education institutions. // Collected works "Esatern Partnership", vol.12. -- October 2013.
94. Yusupov R.M., Vus M.A., Kolodin M.Y., Khodakov A.I. Internet-communication of teachers and students of higher and vocational education institutions. // VIII International annual scientific and practical conference "Modern information technologies and IT-education", November 8-10, 2013, Moscow, M.V.Lomonosov MSU.
95. Khodakov A.I., Kolodin M.Y., Vus M.A. Intrumentation for information support of vocational training system. // St.Petersburg IX Russian scientific and practical conference "Quality of electronic resources and services of libraries, museums, arhcives as factor of efficient interaction with users", 31.10-01.11.2013.
96. Kolodin M.Y., Vus M.A., Khodakov A.I. Internet-presentation and interaction oof organizations, tutors and students. // Informatization and Communications, #6, 2013. Pp.34-36. (VAK)
97. Kolodin M.Y. Coordinated design of instrumental and target subsystems using metatechnology. // Conference "Information Technologies in Control", St.Petersbrurg, 7-9.10.2014
98. Kolodin M.Y. Surveying and testing for elder schoolpupils, students and asociates of organizations. // Conference "Internet and Contemporary Society", St.Petersburg, 19-20.11.2014.
99. Kolodin M.Y. Optimization of program configurations based on systems of lightweight virtualization. // Conference "Regional Informatics", St.Petersburg, 29-31.10.2014.
100. Kolodin M.Y. Continuity as the Base for School. // Confernce "Engineering Education: Experience and Perspectives". St.Petersburg, 24.10.2014.
101. Kolodin M. Complex systems for eduaction, testing and reviewing. // XVIII United conference "Internet and Modern Society", St.Petersburg, 22-25.07.2015. Pp.82-87.
102. Kolodin M. Using lightweight virtualization and configuration management for optimization of parameters of security and reliability of information systems. // Conference "Information Security of Regions of Russia-2015 (IBRR-15)". St.Petersburg, October 2015.
